Our mission

The Manyang Disability Foundation (MDF) is an Australian-registered charity providing mobility aids, rehabilitation, healthcare access and inclusive education to persons with disabilities in Kenya, Uganda, Tanzania, Rwanda, Burundi, South Sudan, Ethiopia, Somalia and the Democratic Republic of the Congo.

We are governed by an Australian board, registered with the ACNC, and operate locally through vetted regional coordinators. Every dollar of corporate funding is acquitted with shipment records, beneficiary stories and quarterly impact reporting.

Programme impact

Beneficiaries supported (lifetime)	3,200+
Mobility aids dispatched (2025)	640
Active coordinator partners	27
Australian volunteer fundraisers	180
Operating overhead (audited)	< 12%

Shipment logistics

MDF consolidates donated and refurbished equipment in Sydney, freight-forwards via Mombasa or Dar es Salaam, then dispatches to regional coordinator hubs. Each shipment is tracked with manifest, GPS-tagged photographs at handover, and a 90-day follow-up assessment completed by the coordinator and a partner clinician.

Why partner with MDF

- Direct, measurable impact — equipment in the hands of named beneficiaries.
- Tax-deductible giving against ABN 75 986 228 179.
- Storytelling assets: field photography, video and beneficiary stories.
- ACNC-registered governance and audited financials.
- Australian staff coordination, East-African delivery network.
